

*"We Know More Than We Think"*

# The Arts-Based Research Studio

*Is Pleased to present*

**Daria Loi, Ph.D**  
*Can a travel trunk be a Ph.D  
dissertation?*

Daria's work is a refreshing inquire into arts purpose in teaching and learning; and with a refreshing perspective asks how it is that knowledge may take a shape certainly not expected! You may never see a more dynamic form than what is contained in Daria's dissertation.

Please come and join us in the Studio  
for this presentation on  
Thursday April 15, 2010  
Room 4-104  
Education North from 12:30-2:30
